

Congratulations Amparo Rios Racing Bikers de Espana Team

MOTORACING IMPORT S.L.

Amparo Rios wins 1st in the 600 and 1000cc race classes

When: June 24th, 2010

Where: Aragón, Spain

Amparo Rios from the Racing Bikers de Espana team won 1st place in the 600 and 1000 race and is now in second place in the overall Castilla La Mancha tournament in the feminine category. She won the race with a 6 second difference from the second place. This is Rios' second tournament and her very first victory in her career therefore very exciting!! The whole team uses TBR exhaust systems.

Craig Lowndes Rocks Two Bros! Australian Touring Car and Bathurst Champion

AUSTRALIAN TOURING CAR CHAMP

Craig Lowndes uses Two Brothers Racing pipes on his GSX-R1000

Australian Touring Car and Bathurst Champion, Craig Lowndes loves his Two Brothers Racing pipes on his GSX-R1000.

Lowndes said, the "sound is great and love that deep note, just like my super car... totally improved the bikes performance package power and torque is unreal, dyno graph says it all."

We have to toally agree with Lowndes! The bike looks and performs great!

Two Brothers Racing has been a sponsor of STAR for over 15 years!

We've Got Your Back Fundraising Ride & BBQ

HUGE SUCCESS!

We've Got Your Back | Saturday July 17, 2010

Two Brothers Racing, Original Mike's and Operation Homefront teamed up to put on a fundraising motorcycle ride & bbq to outfit children of our military with much needed school supplies.

The ride started at 11AM at Two Brothers Racing's head quarters in Santa Ana. It lasted approximately 20 minutes and ended at Original Mike's Restaurant, where the family festivities and BBQ took place. (Live Music, Raffles, Food & Drinks)

The purpose was to say thank you to the children of our military, by donating "Back to School" supplies at the event or sponsoring a child with a filled backpack for \$35.

The event raised thousands in cash, 40+ fully supplied backpacks and hundreds of additional school supplies for th children of the military.

Two Brothers Racing would like to say Thank You to everyopne who participated and helped out. Your willingness to come out and help, made all the difference!

STEALTH RIDER Premiere Bike Night Featuring Jason Britton, Tony Carbajal, and Eric Hoenshell

STEALTH RIDER

Original Mike's Restaurant | Wednesday July 21, 2010

Original Mike's Restaurant together with Two Brothers Racing hosted a "Stealth Rider" World Premiere Party on Wed. July 21st.

Bike enthusiasts slowly filtered into Original Mike's and jam packed the viewing area to get a chance to watch the premiere along side two of the stars themselves, Jason Britton and Tony Carbajal! Attendees enjoyed great food and live music, all while getting a chance to snap photos and get autographs from the stars of the show!

Stealth Rider: Hollywood stunt rider and SuperBikes! host Jason Britton returns to SPEED with a new prime time series entitled Stealth Rider, Wednesday Nights at 8pm ET/PT.

Jason Britton is igniting his insatiable passion for riding by returning to his roots and shooting the ultimate stunt film. Jason and his team jump in the bus and tour the country to "steal" shots in front of the most iconic backdrops they can manage. Planned like a robbery but carried out safely and professionally, Jason and his team get stunt riding shots in unimaginable locations like the art museum steps of Philadelphia; the Las Vegas Strip; the Golden Gate Bridge; the US Capitol Building; Hollywood Blvd and the French Quarter of New Orleans, to name a few. Each episode culminates with a mini-movie comprised of the stunt footage captured at that week's location.

GOODS From high-end performance parts to everyday necessities

TWO BROTHERS ELITE SERIES EXHAUST

If carbon fiber or traditional titanium isn't flashy enough for your style then the new Elite Series exhaust line should be right up your alley. The hand-touched stainless finish combined with magnesium and billet aluminum assures that no two pipes look alike. Choose from seven different hardware color options and your exhaust will truly be it's class! It's own.

DRASTIK PLASTIX RESISTANT HARD-TO-GET-LEDS

It seems that every car manufacturer has better on Audi's the style along. To why not spread the love to the bike world? Drastik Plastix has created flexible "Audi style" LED series that can be cut to size and even "bored" to fit wherever you choose, particularly around the headlights. The kit comes with all the necessary wiring to get your side shining in minutes. Color options are white, red, blue and green.

K&N POWER KLEEN

K&N's Power Kleen removes oil, grease and grime from most surfaces including cotton air filters, painted surfaces, chrome parts and plastic. Though Power Kleen was originally used to remove contaminants, road grime, and grease from air filters, it's been reformulated to clean both cotton air filters as well as everything else on your bike. Consider it a great all-blue cleaner.
